market were much confused and trading was only moderately active. Influences, in the main, were strongly bullish. In the first place, prices in the American Department at London were higher. Reports from the strike centres were extremely favorable. It was be-lieved that yesterday's conference between the strikers and President Sewah would result in an amicable settlement of the difficulties.

The United States Steel stocks as wence displayed marked strength and aggressiveness from the very out per cent., selling up to 45 7-8 on fair

per cent., to 951-2.

The American Sugar shares closely The American Sugar shares closely followed the lead of the Steel stocks. Sugar rose 2 full points, to 185-4, on heavy buying. Chicago Great Western, too, came in for a good share of the buying. Its price mounted to 251-2 as compared with 241-2, yesterday's final quotation. In the Railroad quarter, Pennsylvania, Louisville & Nashville and Urion Pacific were conspicuous at gains of 1, 5-8 and 1-2 per cent, respectively. Tenressee Coal & Iron opened up buoyantly at 68, but soon fell back to yesterday's level.

Trading was dull in the local Traction quarter and prices falled to partake of the general strength. The Wabash, Erie and Reading issues were fairly well supported, but remained stationary at the conting prices.

MRS. NATION WRITES POLICE TRIAL REPORT

see how Deputy Commissioner Devery dispensed punishment rie and Reading issues were fairly well inported, but remained stationary at an opening prices.

A drive against the short interest in merican Sugar and later buying of the college, principally the Erie and Reading issues, added strength to the upward tovement, and the entire market reponded sympathetically. Missouri acific touched 107, Union Pacific 102, anadian Pacific 115 1-2 and Tennessee and 68 1-2. Giucose Sugar reflected the dyance in American Sugar by rising full points, to 62, as compared with last night.
